

MYERS - AUBREY CO.
Sales Engineers

INSTRUMENTATION - FLOWMETERS - VALVES - REGULATORS - ANALYZERS

ABB INSTRUMENTATION	Transmitters - Pressure, D/P & Temperature, Controllers and Recorders, Flowmeters, Actuators, Positioners
BURLING VALVE	Pressure Reducing, Differential, and Back Pressure Regulating Valves
CHECK-ALL VALVE CO.	Check Valves - Insert (Flanged, Wafer, Sanitary, Union), Housed (Bushing, Connector, Flanged, Universal), Mini, & Tubing
CUSTOM CONTROL SENSORS	"Dual-Snap" Pressure & Temperature Switches
EMERSON ELECTRIC Anderson Greenwood Instrumentation	Hand Valves, Gauge Valves, Meter & Instrument Manifolds Primary Isolation & Root Valves, Instrument Enclosures
FIKE CORPORATION Pressure Relief Explosion Protection	Rupture Discs, Holders, Explosion Vents, Total Concept Explosion Protection, Venting, Isolation, and Suppression
FLOWSERVE FCD CORPORATION Kammer Valtek Valbart	Control Valves - Globe, V-Ball, Eccentric Disc, Severe Service Valves, Check Valves, Bellows Sealed Valves, Low Flow Valves, Actuators and Positioners, Valve Service & Repair, API-6A, 6D Trunnion Mounted On/Off and Control Ball Valves for Pipeline Applications
MAGNETROL INTERNATIONAL	Level & Flow Instrumentation, Level Switches & Transmitters, Flow Switches & Meters
MEA INC	Electro-Hydraulic Actuator Systems for critical valves and dampers
MID-WEST INSTRUMENT	Differential Pressure Gauges & Switches, Averaging Pitot Tubes, Pressure Snubbers & Gauge Protectors, Backflow Prevention Test Kits
ORION INSTRUMENTS	Magnetic Level Indicators, Level Transmitters, Custom Bridles
ROBERTSHAW CONTROLS CO.	Capacitance Level Switches & Transmitters, Pneumatic Controls, Control Valves, Self-Op Temperature Regulators, Vibration Monitoring
VALVTECHNOLOGIES, INC.	Zero Leakage Metal Seated Ball Valves for Severe Service Applications, Electronic of Event Recorders, Graphic Displays, Indicators, IS Barriers, Calibrators, Leak Detection Equipment, Density Measurement, Radiometric Process Systems

COMPLETE VALVE REPAIR SERVICES: ASME - UV & VR
